d. therefore O/CI would like to make greater use of Information Only cables in its reporting activity.

3. The State Department position was set forth as follows:

a. The Department of State is responsible for reporting to the President on the conduct of United States foreign relations;

b. Policy Reports Staff must judge the proper time for presenting reports on specific problems;

c. therefore Policy Reports Staff must continue to control the use of each Information Only telegram.

4. It was agreed that O/CI should continue to request clearance for use of individual Information Only telegrams in the Current Intelligence Bulletin; O/CI is invited to make as many such requests as it wishes.
